YEAR-END DINNERS · 春茗 · STAFF AWARDS · DEC 2026 – FEB 2027

Your team's biggest night, *filmed and photographed by one team.*

Annual dinners, 春茗 and staff award nights are when your people see the company at its best. We capture the speeches, the awards and the faces in the room, and turn them into films and photos your team will rewatch, share and remember. One director, **Xavi Cheung**, leads every project, with **10+ years in video production and 30+ brands** filmed across his career, so video and photos share one look and you deal with one contact.
